(c) The General Counsel is authorized to consult with the requesting party or his or her counsel to: (1) Refine and limit the request so that compliance is less burdensome, or (2) obtain information necessary to make the determination described in § 602.282 of this part. ### **§ 602.284 Scope of permissible testimony.**

(a) The scope of permissible testimony by an FCA employee is limited to that set forth in the written authorization granted that employee by the Chairman.

(b) FCA employees are not authorized to give opinion testimony. The FCA, as the regulatory agency charged with the responsibility of examining, supervising, and regulating the banks and associations and other institutions organized or chartered under the Farm Credit Act of 1971, as amended, relies on the ability of its employees to gather full and complete information in order to carry out its statutory responsibilities. The use of FCA employees to give opinion testimony would hamper the FCA's ability to carry out its statutory responsibilities and would cause a serious administrative burden on the FCA's staff.

### **§ 602.286 Manner in which documents will be produced.**

(a) An FCA employee's authorization to produce official documents is limited to the authority granted that employee by the Chairman.

(b) Prior to the release of any official documents authorized by the Chairman to be released, the requesting party shall obtain a protective order satisfactory in form to the FCA from the court before which the action is pending to preserve the confidentiality of the documents subsequently produced.
